

PLATT COLLEGE

— it's all about your future —

The safety and wellbeing of our employees, students and guests is always top priority. In an effort to ensure everyone remains in a healthy environment, we have implemented a COVID-19 health screening and temperature check before entrance to the building.

Additional hygiene and cleaning measures are implemented around the campus, including hand sanitizer stations and limited capacity.

Here are other ways to help keep yourself and others healthy:

- Wash your hands often with soap and water for at least 20 seconds.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Cover your mouth and nose with a tissue when you cough or sneeze.
- Practice 6 feet apart social distancing
- Stay home when feeling sick.

PLATT COLLEGE VISITOR POLICIES:

A proper mask or facial covering must be worn at all times

Prior to entering the campus, everyone will have their temperature taken
